

World Book Day And upcoming curriculum

World Book Day

You may have already seen our previous Facebook post explaining what we will be doing this Thursday 2nd March 2023.

We will be celebrating our love for stories, through reading, re-enacting and discussions. If your child would like to dress up as their favourite character, we would love to see! However, please do not feel pressured to buy an outfit especially as the cost of this can be quite high.

We would rather, you send a picture to us. This could be a picture of a book you are reading, a photo of your child reading or even both would be amazing! Let's try and fill Facebook with book inspiration and focus on what reading is all about- our love of books and the impact this has on our development.

Curriculum

There are some big upcoming events in the next few weeks!

We are starting to see the start of Spring with daffodils, lambs and beautiful green fields.

Mothering Sunday and the celebration of those we love dearly and not to forget the Easter bunny will be visiting us soon.

Healthy Under 5's Juice Free Zone

Our SMART Nurseries strive to provide children with a nutritious morning snack, including; a carbohydrate, dairy, vegetable and fruit with a choice of water/milk.

Did you know?

"When your child drinks sugars, the bacteria in your child's mouth mixes and creates a mild acid which can attack your child's tooth enamel causing decay and cavities"

Juice Free Zone

Our settings will continue to support our no juice policy, we ask parents to provide your child with water in your child's bottles in support with our Healthy Under 5's.

May Bank Holiday And Progress Reports

A friendly reminder that the nursery will be closed for two Mondays at the beginning of May. One of which is our normal bank holiday and the other for the Kings Coronation, these dates are as follows;

Monday 1st May & Monday 8th May

Parents Meeting

In the coming weeks, your child's key person will be arranging a date and time where you will be able to sit for one of our "Mini Parents Evenings". You may have already attended one in our Autumn term, but this gives you the opportunity to discuss your child's progress and have a look through their learning journey.
